BULAN JELITA music & lyrics by Baba Alvin Oon

Bulan jelita, terang-benderang  
Bulan sayang cinta, malam-malam  
Walau dipisahkan, kita masih bercinta  
Pandang ke bulan, kita bersama

Bulan jelita, kasih harapan  
Mengambang di langit setiap malam  
Bila mengagumi, menghangatkan hati  
Terjatuh cinta bulan jelita

The beautiful moonlight, shines brightly for me  
The moon that we fell in love with constantly  
Though we are so far apart, we're together in our hearts  
Looking at the moonlight, together we'll be

The romantic moonlight, brings hope of my love  
I see it floating...in the sky above  
This vision of beauty, fills my heart so warmly  
We'll fall in love again, bulan jelita

Bridge:

Our hearts take flight and sail across the sky  
So high, just you and I, I'm yours and you are mine  
(I am yours and you are mine)  
The love we share is strong 'cause we know we belong  
Among the stars with bulan jelita

Instrumental

Bulan jelita (The beautiful moonlight)  
kasih harapan (brings hope of my love)  
Mengambang di langit (I see it floating in) setiap malam (the sky above)  
Bila mengagumi (This vision of beauty)  
menghangatkan hati (fills my heart so warmly)  
Terjatuh cinta, bulan jelita, We'll fall in love again, bulan jelita
