It's Time For Sayang Sayang – Music & Lyrics by Baba Alvin Oon

Let's do something special, let's do something special

Let's do something special, me and you

Sayang... sayang...

It's time for sayang sayang,

it's time for sayang sayang,

Caring for one (aah) another family and friends

It's time for sayang sayang (sayang),

It's time for sayang sayang (sayang).

As we go jalan-jalan together hand in hand.

It's time for sayang sayang (sayang),

It's time for sayang sayang (sayang),

Caring for one another family and friends

It's time for sayang sayang (sayang),

It's time for sayang sayang (sayang),

As we go jalan-jalan together hand in hand

As we go jalan-jalan together hand in hand

Let's do something special, let's do something special

Let's do something special, me and you
