Joget Baba Nyonya / Suriram - Music & Lyrics by Baba Alvin Oon

S'lamat datang everybody, welcome all friends and family
It's our time to have some fun
Come and join us everyone, come everyone (everyone, everyone)

We're happy to see all of you, the young, the old and children too
Marilah kita jolly, come and join our party, our party (party, party)

Chorus:

This is the moment, this is the time
Let's all enjoy this day so divine
Friends come together from near and far
Marilah joget Baba Nyonya
Marilah joget Baba Nyonya

We celebrate this special day (we celebrate this special day)
Joget the Baba Nyonya way
Kita joget sama sama, suma bergembira, bergembira
(gembira, gembira)

We wish you happiness and more (we wish you happiness and more) Ho mia lah
lu, panjang umur
May all your wishes come true
And blessings to you, to you and you (and you and you)

Repeat Chorus

Suriram, Suriram ram,ram
Suriram... yang manis
Oh aduhai Suriram sayang
Semakin lama semakin manis (twice)

Semakin lama semakin manis, semakin lama semakin manis

Repeat Chorus

Marilah joget Baba Nyonya, Marilah joget Baba Nyonya
