My Sayang Next To Me Enjit Enjit Semot - Music & Lyrics by Baba Alvin Oon

\*Ba, ba, ba, ba, ba, baba...

Nyo...nya, nyonya, nyonya, nyonya (twice)

I feel so happy that you are here, you're standing next to me  
I love you and you love me, we sing so merrily  
We laugh, we dance, we chase each other 'round the coconut tree  
I know that I will always have my sayang next to me  
We laugh, we dance, we chase each other 'round the coconut tree  
I know that I will always have my sayang next to me  
Ha..ha..ha

Repeat \*

Whenever I am feeling low, whenever I am down  
I know that all will be just fine because you are around  
When times are good, when times are bad, I'm happy as can be  
I know that I will always have my sayang next to me  
When times are good, when times are bad, we're happy as can be  
I know that I will always have my sayang next to me  
Ha..ha..ha

Repeat \*

Jit jit semot, siapa sakit naik atas (9 times)  
Ha..ha..ha

We laugh, we dance, we chase each other 'round the coconut tree  
I know that I will always have my sayang next to me  
When times are good, when times are bad, we're happy as can be  
I know that I will always have my sayang next to me  
My sayang next to me  
My sayang next to me (hey!)

Repeat \*
